# Deltek Learning Zone How to Generate Reports as a POC

## Point of Contact (POC) Reports

Point of Contact (POC) users will be able to generate reports through the **POC Reports Menu.** 

A	$- \checkmark$
- 14	

#### Asset Ranking Report

Sorted display of taken learning assets, from most to least enrolled.

#### **Student History Report**

Paginated display of learning paths and courses taken by students.

### Generate and Download an Asset Ranking Report

1	Click <b>POC Reports</b> in the top Navigation Menu.
---	--

Click Asset Ranking Report in the left Navigation panel.

The Asset Ranking Page will display all enrolled and completed assets according to Frequency and Count.

Click **Download as CSV** to generate an editable file.

The following standard columns are available in the report:

- Asset Name
- Asset Type
- Enrollment Frequency and
- Completions Count
